

Electric & Automotive Electronics Solutions

AUTOMOBILE

Heated Rear Window

- Solder wire for glass **GLS**

Solar Panel

- Solder wire for aluminium **ALS**

Engine Control Unit

- Highly reliable solder paste **M53**
- Preform containing Ni balls **HQ**
- Highly reliable solder ball **M770**
- Soft residue flux cored solder **MACROS**

Battery

- Electrodes for batteries **Pb Foil**

Pump

- Flux cored solder with superior wettability **NEO**

Sliding Bearings

- Lead-free **Clean Metal**

Power Steering & ABS

- Residue-free solder paste **NRB50 Series**
- Solder paste for cleaning **374FS Series**
- Solder paste for cleaning **WDA Series**
- Solder paste for solvent cleaning **NHS1 Series**

Motor

- Flux cored solder with superior wettability **NEO**

Sensors & Electric/Electronic Equipment

- Flux cored solder for preventing residue cracks **MACROS**
- Flux for preventing whiskers **NS-100N**
- Solder replenishment in the TH section **3216 Chip Solder**
- Solder replenishment for inserted components **Ring Solder**
- Solder paste for reinforcing SMT **JPP Series**
- Solder paste flux residue shuts off waterdrops **AWR Series**
